12:30pm

Green Rider:

- Place the Green Rider equitation and horsemanship classes (they don't have patterns) after the walk/trot equitation and horsemanship classes since they don't have patterns, then the Green Riders will not have to wait through the pattern classes to do a quick rail class.
- Add simple equitation and horsemanship patterns for the Green Rider classes rail

Trail:

- Start using the gate obstacle in walk/trot trail, at minimum in the 12-18, 14-18, and 19-39 walk/trot trail classes
- Move the Jackpot, 40 & over, 19-39, 14-18, and 13 & under trail to Friday, and put the walk/trot trail classes on Saturday night
- Move the Green Rider and 13 & under trail classes to Friday
- Move the following trail classes back to Sunday morning: Jackpot, 40 & over, 19-39, 14-18, Pee Wee Walk, and Lead Line
- Move Lead Line and Pee Wee Walk Horsemanship to Sunday following the trail (listed above) so that the Lead Line and Pee Wee Walk exhibitors have classes both days and do not have all classes on one day and stretched so far apart. The showmanship for these two divisions would remain on Saturday as they currently stand.
- Reining and Ranch Riding on Saturday evening

Jackpot Classes:

- Add jackpot classes for the walk/trot divisions

Points/Placings:

- Earn one point for every horse in the class: for example, if 20 entries in the class 1st place would earn 20 points
- Place classes to 8th place, as the classes are very large, gets more people placed, and coming back

Score sheets:

- Score sheets required from the judges to be added to the judge's contracts

Classes:

- Remove the Color Class from the class list
- Color Breed Halter (no AQHA/Solids) this would be for Buckskins, Paints, Pintos, Appaloosas, etc colored horses no solid breeds/no AQHA
- Separate the jr pleasure classes from the jackpot and the sr pleasures, with at least one class in between
